

STORY CARDS

Printing Instructions

Print in color on heavy paper. In the printer settings select *“Print on both sides of paper”* and *“flip on short edge.”*

How to Use

Hold up each card so that the illustration faces the children. Read the corresponding story text found on the back of the card. Set the card down and pick up the next one. Repeat until the story is concluded.

Organization

If the cards get out of order, refer to the circled number on the back of each card to put them back in the correct order.
